EXPEDITE

Sir:

Applicant requests that the subject patent be corrected by deleting the text of claim 1, after "HB-8483", as amended in the amendment dated June 27, 1990.

REMARKS

The text following "HB-8483" in claim 1 of the issued patent (claim 2 during prosecution) was deleted in the Amendment filed in the U.S. Patent and Trademark Office on June 27, 1990. The inclusion of the text after "HB-8483" was the fault of the Patent and Trademark Office as is clearly disclosed in the patent file wrapper. A Certificate of Correction is requested in accordance with 37 C.F.R. § 1.322 to correct the indicated error in the printed copy of U.S. Patent 4,965,204. The indicated error apparently was incurred as a result of mistakes made during preparation of the text for printing. The correct text of the claim is clearly shown on page 1, claim 2 of the Amendment filed June 27, 1990, during prosecution of

the application on which this patent is based, U.S. Application Serial No. 07/055,942.
Therefore, Applicants respectfully request that a Certificate of Correction be issued at no charge;
in accordance with 35 U.S.C. § 254.

Respectfully submitted,

Date: June 28, 1995

Sir:

Applicant requests that the subject patent be corrected by changing the text of claim 2 as follows:

Column 21, line 6, after the word "that" delete "corresponds to" and insert --specifically binds a binding site on said antigen which overlaps the binding site on said antigen specifically bound by--, as amended in the amendment dated June 27, 1990 and in the Examiner's Amendment included with the Notice of Allowability dated June 28, 1990.

REMARKS

The text in claim 2 of the issued patent (claim 4 during prosecution) was amended in the Amendment filed in the U.S. Patent and Trademark Office on June 27, 1990 and in the Examiner's Amendment included with the Notice of Allowability dated June 28, 1990. Failure
